COL Sexton Opening Remarks for West Lake Press Event 12-16-15.docx

Brad - see attached opening remarks for COL Sexton.

Is it correct to assume that Mark will start the press event, make EPA's opening remarks and then turn it over to COL Sexton for his opening remarks?

Will AG be making any remarks? If so, do you know if they are on-board with proposed decision? They have been contrary on past items and we need to know what to expect from them.

Please advise.
